

LONG REACH TISSUE WIPER JB5231

The Long Reach Tissue Wiper is specially designed to clean the vaginal and rectal area after toilet use.

Instructions

- Pull around 24 " of toilet paper (around 6 sheets)
- Fold it in half
- Hold the Long Reach Tissue Wiper
- Tuck one end of the toilet paper into the oval recess (A)
- Wrap the toilet paper all around the top part of the wiper.
- Then tuck the end of the toilet paper on the same recess.
- The toilet paper will then be held in place for cleaning
- It is recommended to be used between the legs from front to back while sitting on the toilet.
- The soiled paper is ejected by pushing the button at the end of the Long Reach Tissue Wiper (B)
- Repeat the above instructions as needed.

Care:

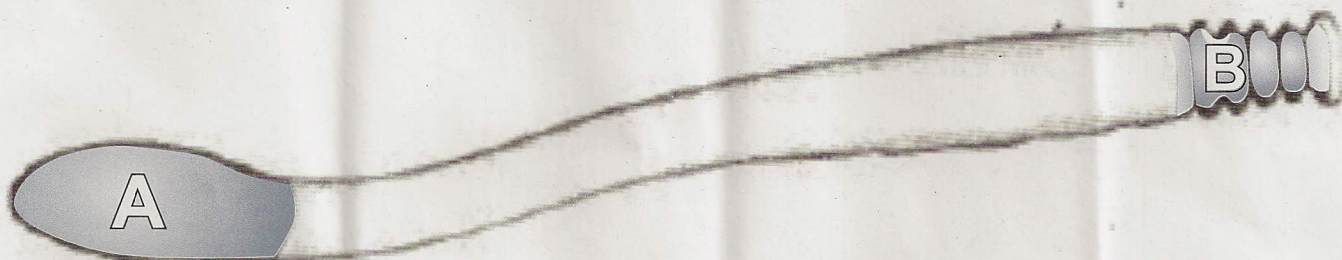

- Do not immerse the Long Reach Tissue Wiper in water
- Clean with moist wipe or soft disposable cloth and mild soap.
- Pat dry with soft disposable cloth.
- For maximum hygiene, clean after each use.
